

**Built in 1929, Vincent Massey School is home to Vincent Massey Child Care Centre, which has provided daycare services for children from birth to 12 years of age and operates year round since 1985.**

**SAVE  
VINCENT  
MASSEY  
SCHOOL AND CHILDCARE**

**The neighbourhood will also lose much-needed green space for families.**

**If this building is sold, the city will lose 170 daycare spaces including 100 subsidized spots, adding to the daycare crisis in the Etobicoke-Lakeshore community.**
